

# **S1000D User Forum and S-Series Specification Day**

## **September 26-29, 2016, Seville, Spain**

hosted by the  
**Spanish Association for Defence, Aeronautic, Security and  
Space Technology Companies (TEDAE)**  
on behalf of ASD

  
Asociación Española de  
Empresas Tecnológicas de  
Defensa, Aeronáutica y Espacio

### **Save the date**

Dear addressee,

Please save the date of the **S1000D User Forum and S-Series Specification Day 2016**, scheduled for **September 26-29** and hosted by TEDAE on behalf of ASD in **Seville, Spain** - Mark your calendar!

The theme is: "***Affordable product support using common standards - Experiences and expectations***".

Topic areas are:

- S1000D and S-Series Specifications Experiences
- S1000D and S-Series Specifications Expectations
- S1000D and S-Series Specifications in Practice
- S1000D and S-Series Specifications Projects
- S1000D and S-Series Specifications Case Studies

Please join the 2016 S1000D User Forum and S-Series Specification Day in Seville, the premium annual event of the worldwide S1000D and S-Series specifications community. It is a tremendous opportunity for any country to showcase themselves, their industry and their customers to a large global community. The users of S1000D and the other S-Series specifications shall be in focus as speakers, talking about their experiences in successfully applying the specifications in real-world projects including their expectations in improving and further developing the specifications. Participants will have the great opportunity to receive and exchange first-hand expert information in using common standards that contribute to a more affordable product support.

The event will feature tutorials, technical and management tracks, vendor demonstrations and presentations, updates on latest specification developments, and much more.

Let's come together and try to tap the full potential of Integrated Logistics Support information throughout the whole product lifecycle with the aim to save time and money in our projects!

**Registration for the event will start May 10, 2016.** A number of rooms have been blocked at the conference hotel and can then be booked through the dedicated registration website.

**Event location:** Melia Sevilla Hotel, Dr. Pedro de Castro 1, E-41004 Sevilla, Spain

If your company/organization is interested in sponsoring the event, there are several opportunities available. Please contact Mrs. Clara Tébar (E: [ctebar@tedae.org](mailto:ctebar@tedae.org)) at TEDAE directly.

# S1000D User Forum and S-Series Specification Day

## September 26-29, 2016, Seville, Spain

### Call for abstracts

Abstracts (no more than ½ page in MS Word format) are being accepted for the 2016 S1000D User Forum and S-Series Specification Day taking into account the theme of the event and the topic areas listed on the previous page. Especially, we like to encourage civil and military users of S1000D and the other S-Series specifications to submit presentation proposals talking about their experiences and expectations in applying these specifications. The deadline for abstract submittal is **Tuesday, May 31, 2016**.

When responding, please refer to the topic area(s) given on the previous page. Abstracts must be in English language, unclassified, publicly releasable and non-proprietary. They shall clearly identify the topic and subject, presentation title, speaker, organization, and contact information. Refer to the layout below. Speaking time will be no more than 45 minutes and no less than 30 minutes.

Please send abstracts in the form of an MS Word email attachment including a short bio of the speaker to

Peter Zimmermann at [peter.e.zimmermann@airbus.com](mailto:peter.e.zimmermann@airbus.com) and  
Bernhard Seidel at [bernhard.b.seidel@airbus.com](mailto:bernhard.b.seidel@airbus.com)

indicating either        **"Abstract for S1000D User Forum 2016"**  
or                               **"Abstract for S-Series Specification Day 2016"**.

**Layout for abstracts:**

Title of presentation:	
Presenter:	<i>Name, Position, Country</i>
Email:	
Phone:	
Company:	<i>Name, Address</i>
Subject / Topic(s):	
Applicable standards:	
Abstract (max ½ page) and bio of speaker:	<i>As MS Word attachment to the email, please.</i>

If your abstract is selected for presentation at the User Forum, you will be requested to submit the presentation material in electronic format (PPT) no later than **Friday, August 26, 2016**. Upon acceptance of your abstract, specific instructions for technical preparation of your presentation will be provided. Presentations at the S1000D User Forum including the S-Series Specification Day are intended to focus on technology, policy, implementation or strategies associated with the deployment of the specifications and must not contain marketing materials. Marketing is limited to the exhibition and demonstration area, for which companies can register to host a booth.

**Registration for the event will start May 10, 2016.**

If your company/organization is interested in sponsoring the event, there are several opportunities available. Please contact Mrs. Clara Tébar (E: [ctebar@tedae.org](mailto:ctebar@tedae.org)) at TEDAE directly.
